Dear schools,

You should have already received notice that the board will be holding a teleconference meeting on Monday, May 11, at 9 AM to consider emergency rules that would delay the license-renewal date to July 31, 2020 (or some other date after May 31). However, we're also adding to the agenda some additional rules that may help schools.

The webpage with the meeting information (<https://www.ncbarbers.com/meetings.html> [[ncbarbers.com](https://www.ncbarbers.com)]) includes a memo with background information that helps explain the intention behind the rules. Keep in mind that these are proposed rules and have not been approved by the board. If they are approved, and they are entered into the administrative code, I'll send another email giving guidance to schools.

If you have any questions about the changes or would like to submit comments, please feel free to contact me at dennis.seavers@nc.gov

I will be available this weekend if you have questions about the proposed rules.

I apologize for the late notice, but the legislation was just approved this week, and the board is trying to move quickly to offer relief to licensees.
